About This Game

The gods have trapped your sister. Prove yourself worthy to bring her back.

Maui is a free action-adventure game based on Hawaiian mythology. The game features an innovative "stat grid" that lets you switch stats on the fly to face any situation.

Features:

- Play the game completely for free--no microtransactions, no DLC, just a free game for you to play
- Explore a beautiful ancient Hawaiian island
- Innovative "stat grid" lets you switch character stats instantly at any time
- Collect offerings and face trials from the gods
- Narrative and mechanics drawn directly from Native Hawaiian culture and mythology

Short, buggy, not fun at all. It's The Legend of Zelda: The Wind Waker, except not good. many bugs but it is for free. laggy as heck. Not sure why this game has so many negative reviews. A little game about the Hawaiian culture and lore. Nothing groundbreaking, but there aren't many games that focus on the Hawaiian culture so I enjoyed it. Plus, it's free!. wtf is this?
