All the X-Plane 10 (continent here) scenery comes with the game but you have to install it separately.. This game could be a little more user friendly to us wannabe pilots;) but overall great game, great relism and scenery, and GREAT addons! Some you have to pay for, and that is to be expected, but overall they are very reasonably priced. Great job Steam and X-Plane! I recommend this to all aviation lovers for sure!. low quality scenario
